19 The State Board of Education shall set standards and

22 and for less than a school year.

23 When any school district eligible for reimbursement under

4 Notwithstanding any other provision of law, any school
5 district receiving a payment under this Section or under
6 Section 14-7.02, 14-7.02b, or 29-5 of this Code may classify
7 all or a portion of the funds that it receives in a particular
8 fiscal year or from general State aid pursuant to Section
9 18-8.05 of this Code as funds received in connection with any
10 funding program for which it is entitled to receive funds from
11 the State in that fiscal year (including, without limitation,
12 any funding program referenced in this Section), regardless of
13 the source or timing of the receipt. The district may not
14 classify more funds as funds received in connection with the
15 funding program than the district is entitled to receive in
16 that fiscal year for that program. Any classification by a
17 district must be made by a resolution of its board of
18 education. The resolution must identify the amount of any
19 payments or general State aid to be classified under this
20 paragraph and must specify the funding program to which the
21 funds are to be treated as received in connection therewith.
22 This resolution is controlling as to the classification of
23 funds referenced therein. A certified copy of the resolution
24 must be sent to the State Superintendent of Education. The
25 resolution shall still take effect even though a copy of the
26 resolution has not been sent to the State Superintendent of

1 Education in a timely manner. No classification under this
2 paragraph by a district shall affect the total amount or timing
3 of money the district is entitled to receive under this Code.
4 No classification under this paragraph by a district shall in
5 any way relieve the district from or affect any requirements
6 that otherwise would apply with respect to that funding
7 program, including any accounting of funds by source, reporting
8 expenditures by original source and purpose, reporting
9 requirements, or requirements of providing services.
